

## KJV bibles with number of times used of 1,733 words.

Web page at ["engert.us/erwin/bible.html"](http://engert.us/erwin/bible.html)

This is a small sample of the total word list of the words used in the KJV bibles. There are only 1,733 words in this list but it does show how the words mostly do agree for the first three versions but not for the last, the NKJV.

The following files you may be interest in also.

"Bible/King James words not the same.pdf" King James words not the same.

"Bible/Heavily used word list.pdf" heavily used word list from the 18 versions of the bible, using 1,801 words

"Bible/Bible verse missing one letter.pdf" Bible verses from the 18 bible only one letter is missing for a verse.
